

Subject: Upcoming Release of Amendment 3 of the DTRA Basic Research BAA and Service Call, and Webinar details

Dear Colleagues,

The Defense Threat Reduction Agency (DTRA) plans to post two (2) solicitation amendments for Basic Research proposals. Amendment 3 of the Basic Research Broad Agency Announcement (BAA) will be posted on www.grants.gov; and Amendment 3 of the Basic Research Service Call will be posted to the DTRA submission site at www.dtrasubmission.net.

These solicitations are titled as follows:

- 1) HDTRA1-11-16-BRCWMD-BAA Amendment 3
- 2) HDTRA1-11-16-BRCWMD-Service Call for DoD Degree-Granting Academic Institutions Amendment 3

In addition, DTRA will host a webinar on 10 December 2013 from 1:00-2:30PM EST to address the Basic Research Broad Agency Announcement and Service Call amendments.

Topics to be Covered and What Webinar Attendees Can Expect to Gain from Participation:

- Introduction into DTRA mission and its Research and Development goals and objectives
- Review of the BAA and Service Call eligibility, timelines, award types and sizes
- Review by the portfolio manager of each Basic Research topic advertised in the BAA/Service Call
- Question and Answer session on specific research topics and overall BAA/Service Call eligibility, timelines, award structure.

HOW TO PARTICIPATE: Instructions for participation will be sent closer to the event in a follow-up email from basicresearch@dtra.mil.

Sincerely,
Basic Research Program Staff
